

February 14, 2024

**AASHTO No. M 31 Compliance**

We hereby certify that steel reinforcing bars produced by Optimus Steel as meeting ASTM A615/A615M specifications also meet the requirements of American Association State Highway and Transportation Officials Standards, AASHTO No. M 31.

Sincerely,

Ricardo A. Anawate  
Vice President of Operations  
Optimus Steel, LLC
